Answer

MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT & POVERTY ALLEVIATION (SHRI BAN DATTATREYA)

(a)to(c): The DDA has so far developed 873 colonies/pockets, out of which services of 842 colonies/pockets have been handed over to the Municipal Corporation of Delhi/Delhi Jal Board for further care and maintenance. Services of remaining 31 residential colonies/pockets are in the process of being handed over to the MCD/DJB.

A list of major residential areas developed by the DDA is enclosed (Annexure).

(d)&(e): The DDA have reported that there is no problem of electricity and cleanliness in the DDA managed colonies. It is the responsibility of the Delhi Jal Board to supply water at city level. The DDA is supplementing the water supply through tubewells in such of the DDA managed colonies where there is shortage of water, as an interim arrangement. However, to meet the shortfall in the demand and availability of water in Delhi, the Delhi Jal Board has come up with a number of schemes, which are in different stages of progress.
